

# keeping a keen eye out for your rights...

The Sunshine Coast is a select area in Australia that has had a high level of residential and commercial unit development for many years. Because of the significant tourism component the Sunshine Coast has historically had a substantial level of investor and holiday rental units.

Our Property Lawyers at MMLaw have had a vast number of years experience in Body Corporate and Management Rights and are well equipped to serve you in either or both of these areas.

MMLaw act for many Bodies Corporate and have a close liaison with the Body Corporate Management industry through all major local and Australia wide organisations.

MMLaw act for many clients in the acquisition, sale and continuing operation of Management Rights in both modestly sized schemes as well as large multilayered high rise complexes.

You can have confidence that all of your legal needs will be met by MMLaw in respect of any Body Corporate or Management Rights issues.
