

# we understand your home is your castle...

We provide a range of services and our considerable experience enables us to provide the following expert services to our clients:-

## **PURCHASES**

A comprehensive and quality service in acting for purchasers of land, houses and residential and commercial units including assistance with precontractual enquiries and negotiations, all searches and investigations into the property and prompt attention to the issues required to progress and complete the transaction.

## **SALES**

A comprehensive and quality A to Z service in acting for sellers of land, houses and residential and commercial units.

## **REFINANCING**

Assistance with all aspects of refinancing including referral to appropriate lenders and meeting the lenders requirements associated with the finance transaction.

Our team includes Property Lawyers and Senior Conveyancing personnel who have broad and substantial experience in their areas of property law.

You can have confidence that when you give instructions to MMLaw the work will be performed at the highest level by appropriately experienced qualified persons.
